**This exquisite luxury beachfront home is being built by Archristavest.....Here is what they say about their style of building.....**

"We strive to develop all of our properties to incorporate the magnificent panorama of the beach and bay as well as uncompromised views of the sunrise, sunset, moon and starlit sky. It's this vision that compels people who buy our homes to say, "there's something more unique about this property than any other I have ever experienced."

## Achristavest's Philosophy

"Unique opportunities require unique responses. Our goal is always to elevate a property to the highest level imaginable in each unique luxurious location. Achristavest projects have repeatedly provided the vanguard position in our markets. This leadership strength is our greatest source of success.

Achristavest develops unrepeatable waterfront and exclusive properties in which the beauty of the natural environment, views of peaceful seascapes, sunrises and sunsets provide the highest value to our home owners
